Dear TIM DAHL:

Your Safety Grant application has been reviewed and we have recommended approval of your application to the Deputy Commissioner's Office. However, program resources are insufficient to provide full assistance to all applicants to which the commissioner intends to award grants. Therefore, we are reducing the maximum reimbursement that you requested in your application. Your approved project, for the purposes of this safety grant, is: sander Roller stands, for a total project cost of \$21275.00, with a maximum grant award of \$7,500.00. I am enclosing the original of your Safety Grant agreement for your review and signature. If you agree to accept the grant award, please sign your name in box two on page three of the original. **If you do not wish to accept the amount awarded, please contact my office and I will cancel your grant award.**

To expedite the processing of your application, please email or fax your signed agreement to the Safety Grant Administrator within 7 days of their receipt. Your signed agreement will be sent to the Deputy Commissioner's Office for signature, and thereby, creating an effective date. You will then have 120 days from that effective date to complete your project.

Please be advised that you **cannot** purchase any equipment or conduct any training prior to the effective date of your contract. Any receipts, invoices or retainers dated prior to the contract's effective date will not be covered by the grant.

A fully executed agreement will be sent to you for your records along with a Certificate of Completion form. After you complete your purchase, project, or conclude your training, submit your request for reimbursement to me according to the instructions on the Certification of Completion Form.

Should you have any questions or concerns, you may contact the Safety Grant Administrator at (651) 284-5162 or toll free at 1-800-731-7232. You may also e-mail [Margie.Mohr@state.mn.us](mailto:Margie.Mohr@state.mn.us).

Sincerely,

A handwritten signature in black ink, appearing to read "Tyrone Taylor". The signature is fluid and cursive, with a long horizontal line extending to the right.
