**BOARD ACTION REQUESTED:**  
Review Acceptance of Waiver of Buffer Enforcement

**BACKGROUND/JUSTIFICATION:**

Discussion: The Legislature during the last session allocated 8 million dollars to the enforcement of buffers in 2017 and 10 million in 2018. In order for Wright County to receive this funding, a determination on the acceptance of enforcement must be delivered to the Board of Soil and Water Resources by June 28, 2017. In January the Board reviewed this matter and tabled it for further discussion pending funding by the Legislature. The minutes from that meeting are attached.

Staff is unsure on how the Board would like to proceed. With the deadline coming up in two weeks a decision must be made. Staff has attached two resolutions to this agenda request, one affirming jurisdiction, and one waiving jurisdiction.
