Memo

To: Wright County Board

From: Alicia O'Hare-Water Resource Specialist

Date: January 23, 2018

RE: Local Water Management Plan Public Hearing.

On December 12 the board approved a draft of an amendment of the Wright County Comprehensive Local Water Management Plan. The next step for the Board of Water and Soil Resources (BWSR) to approve the amendment is to hold a public hearing. I am asking that the board schedule a public hearing for this purpose.

After the hearing the Wright County Water Management Task Force may convene to address any necessary changes. Then a final draft will be sent to BWSR for approval.
