10/2013

MN sure

Minnesota's one stop health insurance marketplace. Allows people to find and compare health plans and choose the coverage that best meets their needs. Plan coverage begins January 1st, 2014.

www.mnsure.org

Bridge to Benefits

An online tool to help families determine their eligibility for food support, school meal programs and health care programs, as well as energy assistance, childcare assistance and the Earned Income Tax Credit.

www.bridgetobenefits.org

Minnesota Coalition for Kids Health Coverage

This program offers families free help in determining if the family qualifies for free or low cost health care, identifying what programs are available to them, assisting with the application process and reminding them when it is time to renew.
