

Wright-2-School

Truancy & Educational Neglect Intervention Program 2021-2022

Purpose: To strengthen, support, and serve students, their families, and schools to achieve regular and consistent school attendance

Number of School Days	School/Health and Human Services	Goal of Intervention
1-2 days	School contacts student and parents	Address concerns and problem solve
3 days	School mails mandatory 3-day letter to parents	Required formal intervention letter per statute
1-5 days	School completes the <u>Student Support Plan</u> with student and parents	School identifies student's academic environment, interventions, and student and family strength to develop a plan
1-5 days	School submits the <u>Initial Referral</u> to attend the Attendance Intervention Meeting (AIM) by the County Attorney's Office	County Attorney's Office will provide information to student and family about what can happen if truancy case opens in court or Child Protection
15 school days from completion of the Student Support Plan	School submits the SSP and <u>Intervention Referral</u> to Wright County HHS Assessment opened to Social Worker	
	<p>>Wright County Social Worker meets with family within 5 days of receipt of referral</p> <p>>Wright County Social Worker sets up meeting with family and school within 5 days of meeting with family – Student Attendance Review Board (SARB)</p> <p>After the SARB meeting the student will be monitored for progress and</p>	<p>Social worker engages with student, parents, and any identified family supports to develop a plan to support the family to improve attendance</p> <p>During this period the social worker and school come together collaboratively using the SARB meeting to identify and set up any additional interventions to assist and support the family in improving attendance and making sure the student is in school.</p>

	this time will allow the family to put reviewed services in place	
20 school days from Intervention Referral	If no progress/improvement in attendance a CHIPS will be filed, Ed Neglect a Child Protection report will be filed	WCHHS Social Worker will be connecting with School and family support system regularly to check-in on attendance to make sure student is making progress. If through consultation it is determined that the student is making sufficient progress WCHHS will continue with intervention efforts, however if through consultation it is determined that the student is not making sufficient progress WCHHS will proceed with filing CHIPS Petition or CP Report.
Fast Track 15-day Drop	<u>Intervention referral</u> to Wright County HHS OR <u>Referral for Truancy CHIPS</u> to Wright County Attorney	If the previous steps have been completed and a student has 10 unexcused absences and is continuing to miss consecutive days of school where it looks like they will be a 15-day drop, we can fast track the referral to an Intervention referral.
Fast Track Previous open case for Truancy/Ed. Neglect	<u>Intervention referral</u> to Wright County HHS OR <u>Referral for Truancy CHIPS</u> to Wright County Attorney	Previous students that have been open for Truancy/Educational Neglect with WCHHS can be fast tracked by making an Intervention Referral (if you are unsure if a student meets these circumstances- contact Truancy/Ed. Neglect case aide)
