MEMO OF UNDERSTANDING
Amendment to Agreement No. 14-52

Between: The City of Monticello, hereinafter called the "City";

and

the County of Wright, hereafter called the "County";

The City and County entered into Agreement No. 14-52 in April of 2015 regarding the intersection Improvement at CSAH 75 (Broadway Street) & MnDOT Trunk Highway (TH) 25, and Article 4, page 3 of that agreement indicates that the City and County will mutually determine the appropriate geometric design along CSAH 75, west of T.H. 25 when redevelopment occurs. Redevelopment is imminent on the block adjacent to CSAH 75 west of T.H. 25, "Block 52", and it is mutually agreeable to modify Article 4 of Agreement 14-52.

IT IS HEREBY AGREED AND MUTUALLY UNDERSTOOD THAT;

1. Article 4, Page 3, of Agreement 14-52 is deleted and changed to the following:

Article 4

At such time in the future that the operational capacity of the CSAH 75 (Broadway) & Trunk Highway 25 intersection warrants it, the City and County will mutually determine the appropriate geometric design along CSAH 75 (Broadway Street), consistent with MnDOT State Aid standards current at that time. The County will not participate in any costs associated with the needed future improvements to CSAH 75 (on the block west of T.H. 25) at the intersection.

2. A copy of Agreement 14-52, dated April 2015 is attached to this amendment

3. Attached is a potential lane configuration section for CSAH 75, west of T.H. 25, at the intersection looking eastbound. Actual lane configuration for future improvements would be subject to meeting MnDOT State Aid Standards and County Highway Department approval at the time of the improvements.

4. Before this MOU/Amendment shall become binding and effective it shall be approved by the City of Monticello and it shall also be approved by the County Board and such other officers as law may provide.

IN TESTIMONY WHEREOF the parties have duly executed this amendment by their duly authorized officers and caused their respective seals to be hereunto affixed.
