

## 60+ and Healthy Foot Care Clinics 2021

The **60+ and Healthy Foot Care Clinics** provided by Wright County Public Health offer foot care for Senior Citizens and persons with access or functional needs in Wright County. We trim toenails to meet the needs of seniors and other individuals who have a health condition such as diabetes or are unable to trim toenails themselves. We will check blood pressures if needed and as time allows.

The 60+ and Healthy Clinics charge a \$15 Fee per visit for foot care services. This fee is necessary because our clinics are no longer funded by grant money. However, if you are unable to pay the \$15 Fee, you will not be turned away from our clinics.

**Appointments only. No walk-ins. Call 763-682-7460 to schedule an appointment.**
