To whom it may concern:

The Wright County Recorder's Office will become a one stop shop for transfers and recordings. The Wright County Board of Commissioners approved the combination of Land Record functions within the Finance Department (f/k/a Auditor Treasurer) to be transferred to the Recorder's Office. Four staff will be relocated into our office on March 8th.

The following services moving to Recorders' office effective March 8th:

1. Collection of Mortgage Registration Tax, State Deed Tax and Conservation Fees.
2. eCRV acceptance
3. Verification of current and delinquent taxes have been paid for legal transfers
4. Tax payments will continue to be processed by the Finance and Taxpayer Services Department; however, you can continue to include them in your recording packages.
4. All checks payable to "Wright County", effective immediately
5. Divisions, Combinations, Annexations, Vacations, Detachments, Preliminary Plats
6. Parcel Maintenance and Tax ID Maintenance
7. One reject form

We are excited about this transition and hope to provide a more efficient process as we work through these changes.

Please call 763-682-7588 with any land record questions.

Please contact Kelly or Tanya with any recording questions at 763-682-7359.

Sincerely,

Tanya West
