A message from Wright County Attorney Brian Lutes:

I am pleased to announce my intention to continue to serve as Wright County Attorney. I'm proud to live and work in Wright County where law enforcement is appreciated and law and order matters. As Wright County Attorney, I will continue to work side by side with my law enforcement partners to keep Wright County safe by aggressively prosecuting criminals to hold them accountable. I will continue to promote safe schools and communities by engaging in community outreach by participating in Safe School Committees in all school districts, Safe Communities of Wright County and MEADA (emphasizing drug-free communities). I will remain responsive to the citizens of Wright County treating everyone with fairness and dignity. I look forward to continuing to serve as Wright County Attorney.
